

Stewardship of Creation

A Five-Session Adult Christian Education Curriculum Leader's Guide

Prepared by
The Episcopal Diocese of Alabama
Task Force for the Stewardship of Creation

To accompany
**The Province IV Bishops' Pastoral Letter:
Care of Creation**

This leader's guide is designed to be used in conjunction with a downloaded print copy of the Bishops' Pastoral Letter from the CD-Rom and the CD-Rom self-running presentation. Each of the five sessions is forty-five minutes long, but could be expanded by allowing more discussion and presenting more resources.

What You Will Need

- ❖ You will need only one copy of this guide for each leader.* You may wish to provide a copy of the last page of this guide and a copy of the Bishops' Pastoral Letter to each participant.
- ❖ You will need a computer with CD-Rom drive and the CD-Rom. The size of your group will be determined by the size of the screen on which the presentation will be displayed. (A dozen people can gather around an ordinary computer screen for the 7 1/2 minutes of the self-running presentation.)
- ❖ Have a Bible and Book of Common Prayer available for each session.
Each participant will need the BCP for Session IV.
- ❖ You will need an easel with newsprint, markers, and tape.

**If you need more than one copy of this "Leader's Guide" please copy on both sides of the paper. If your copier does not have that feature built-in, ask the church secretary, look in the manual, or contact the manufacturer for directions to do it manually. Let's set a good example of stewardship of natural resources.*

Stewardship of Creation-Session I Care for Creation

Reflection (15 minutes)

- ❖ Invite someone to read aloud Genesis 1:1-2:3.
 - *Ask everyone to remain silent for one minute of reflection after watching the CD-Rom presentation.*
- ❖ Dim the lights and play the CD-Rom presentation.

Education (25 minutes)

- ❖ Ask someone to read aloud the first two paragraphs of the Bishops' Pastoral Letter.
- ❖ Then discuss the following questions, writing the group's answers on the newsprint.

Question 1

- ❖ Genesis 1 tells us several times that "God saw that it was good." Without looking at the text, write on the newsprint as many creations as you can remember from the account that tells us, "God saw that it was good."
- ❖ Reread Genesis 1.

Question 2

- ❖ Genesis 2:1-3 tells us that the completion of creation is not the human, but the Sabbath. Read this again.
- ❖ *Read Leviticus 25:1-7*
- ❖ "How can we understand and fulfill the teaching of 'giving the earth its Sabbaths' " in our modern world?"

Action (5 minutes)

- ❖ Ask the group to pray daily for all creation using The Book of Common Prayer (BCP) #40 on page 827 and/or the prayer quoted from *A New Zealand Prayer Book* printed in the handout.
- ❖ Request that each person bring back to the group next Session an idea for a specific way to be better stewards of creation.
- ❖ Close with the prayers above and the Lord's Prayer.

Stewardship of Creation-Session II Relationship with Other-than-humans

Reflection (10 minutes)

- ❖ Invite someone to read aloud Romans 8:19-23.
Ask everyone to imagine that they are present in each of the scenes as the CD-Rom presentation plays and then to remain silent for one minute of reflection once it has ended.
- ❖ Dim the lights and play the CD-Rom.

Education (12 minutes)

- ❖ Ask someone to read aloud paragraphs 3, 4 and 5 of the Bishop's Pastoral Letter.
- ❖ Invite members of the group to share a story of how they personally felt connected to some other-than-human part of creation. Share one of the stories from the resources below and/or invite the group to share some specific ways that "our fate, our life, is caught up with all the other lives with which we share the creation."

Action (23 minutes)

- ❖ Invite members of the group to share the specific ideas for being better stewards of creation that they had in response to last week's session. Write the ideas on the newsprint.
- ❖ Brainstorm with the group how these ideas are expanded by or reflected in the theology that "all creation [is] bound together in our commonality of coming from the hand of the same Creator ... [and] we are assured that this same God maintains an ongoing relationship of care and sustenance with the creation." Encourage each person to continue pondering the ideas generated here throughout the week.
- ❖ Encourage the group to continue praying using BCP p. 827 #38 and/or the prayer from the New Zealand Prayer Book as printed in the handout.
